'A Taste of Innovation' 2024

Our craft cocktail menu is designed to offer a taste of innovation and creativity. We are constantly experimenting with new flavour combinations and techniques to bring you drinks that are both familiar and exciting.

We understand the importance of using fresh, high-quality ingredients.

That's why we take the time to create our own ingredients in-house, allowing us to have full control over the flavours and quality of our cocktails.

From homemade syrups and infusions to freshly squeezed juices and our own distilled liqueurs from 'Rona' & 'Winnie' our Copper Pot Stills every element of our cocktails are carefully crafted to perfection. By using our own ingredients, we can guarantee that each drink on our menu is unique and bursting with flavour.

Please make us aware of any dietary requirements or preferences when ordering - many of our drinks can be made vegan friendly.

A 10% discretionary Service Charge will be added to your bill, this is split amongst the team based on their hours worked.

If you wish for this to be removed please let us know.

*We hope you enjoy your visit today
